## PRIVATE GAME ROOM AND KARAOKE ROOM DRINK MENU

If you are using a room during a time when a drink minimum is required, your drink minimum must be fulfilled by ordering from this menu, from your karaoke or poker room. You may bring drinks into your room from other bars at Truck Yard, but they will not count toward your minimum. Press the green button near the window into the main bar. This will light up a light above your window, alerting the bartender to your thirst!

If Limin' Lounge is not open during your room rental (and therefore there is no drink minimum), can you get drinks at any other Truck Yard bar - your tab will open at any bar. The items on this menu will not be available when Limin' Lounge is not open, though Beard Science will have whiskeys by the pour available for you.
